**HAT**  
HEAT ACTIVATED TECHNOLOGY

CONTENTS 400 ml

# *SUPER EXTREME PERFORMANCE* **LIQUID GREASE**

# **LUPROMAX<sup>®</sup>-GR** **SUPER LIQUID GREASE**

## DESCRIPTION

**LUPROMAX-GR** Aerosol Grease is a premium quality, heavy-duty, multi-purpose grease containing proprietary Lupromax additive to combat against seizing, galling of bearings and special rust inhibitor.

**LUPROMAX-GR** Aerosol Grease protects bearings wear through outstanding film strength under severe conditions of shock loading. Resists water wash-out from bearings under the most arduous conditions and provides long service life through high oxidation resistance.

## FEATURES & BENEFITS

- Resists shock loading
- Resists water washout
- Protects against rust
- Combats against seizing of bearings
- Long service life by resisting oxidation
- Lubricates effectively in wet conditions
- Extends bearing life
- Reduces maintenance by minimizing wear under heavy load conditions

## APPLICATIONS

Wheel bearings • Water pumps • Ball joints, universal joints, steering linkages • Recommended for a wide range of automotive and industrial applications • Industrial applications where the combination of excellent water resistance and E.P. properties are required.
